

SUPPLY CHAIN

2023 MID-YEAR PLACEMENT REPORT

KIMMEL & ASSOCIATES

At Kimmel & Associates, we have a unique perspective on the supply chain industry. This perspective is informed in part by the thousands of conversations that our consultants engage in every year with supply chain professionals across the country. Our goal is to use our placement compensation data to further enhance our service to the industry.

As we present the 2023 Kimmel & Associates Supply Chain Mid-Year Placement Report, we take great pride in highlighting our commitment to connecting talent with opportunities. We have an intricate understanding of industry trends and demands, allowing us to serve our clients' most critical hiring needs. We know the right role transforms careers, and the right candidate reshapes companies.

If you would like to learn more, [please give us a call](#). Our consultants are always happy to discuss more detailed information as it relates to specific placements and ongoing hiring needs. The latest Supply Chain Compensation Review is accessible [here](#).

We hope this data is beneficial to you, and we look forward to continuing to serve the supply chain industry.
